

Modular Home Permit Application

City of Cordova

Building Permit Number _____

Modular Home Permit: Modular housing is permitted in any residential district in Cordova. Modular homes must meet all of the requirements of the zoning district. No modular home shall be installed within the State of Alabama unless such installation is done by a certified installer. The owner or purchaser of a manufactured home or manufactured building is not allowed to install said home or building unless the owner or purchaser is a certified installer. The connection of gas, electrical, central heat and air conditioning, sewer, and water services shall be connected by licensed and/or certified contractors. To do electrical work throughout the state of Alabama you need a license (<http://www.aecb.state.al.us>); to protect the public and identify knowledgeable and capable contractors, Alabama has a state board that certifies HVAC contractors (<http://www.hvacboard.state.al.us>); to do plumbing work in Alabama (<http://www.pgfb.state.al.us>) and licensed is required to do gas fitting work in Alabama (<http://www.pgfb.state.al.us>). **All contractors shall have a City of Cordova License.**
